

BUFFALO AIRPORT TRANSPORTATION

The Buffalo Airport Taxi has a van/shuttle that runs from the Buffalo airport directly to Niagara Falls every hour on the quarter hour, beginning at 8:15 a.m. until 6:15 p.m. The cost is \$24 per person (one way).

You do not have to reserve your space on this shuttle. Just show up at the airport booth and request the \$24 rate. You must have your bag(s) and be ready to go. They can't wait for you. Otherwise, just wait until the next shuttle.

They have assured me that if they fill up one shuttle, that they will put another one in service.

If you wish to reserve a taxi that will hold up to 5 people, you can call to make a reservation at 1-800-551-9369. The cost for the taxi is \$70 (one way).

During the weekend you can "group" together to reserve a return to the airport or talk with your shuttle driver and arrange a pick up time.

There is a desk at the baggage level where you will check in for your transportation. The trip will take between 30-40 minutes, depending on traffic and time of day.
